Sublet?

Abandoned Tenancy?

Vandalised?

Housing Benefit Fraud?

Empty Property?

We know this creates a nuisance for YOU and impacts on the estate's environment and reputation.

If tenants are illegally subletting their home, it is depriving someone on the waiting list of the chance of renting it.

To help us create better places to live, please report abandoned or sublet tenancies direct or to our Hotline: 0113 247 6681
