LEEDS ANTI-SOCIAL BEHAVIOUR TEAM

Working together for a Safer Leeds

Safer Leeds
tackling drugs and crime

Working together
we can make a difference—
let's stop anti-social behaviour.

How do I report Anti-Social Behaviour?

To report serious or persistent anti-social behaviour:

Ring: ASB Contact Centre 0113 2224402

Email: LASBT@leeds.gov.uk

In person: Visit your local housing office or One Stop Centre

If you own your home, or where problems persist or escalate, report the problem to LASBT directly via telephone or email.

Our staff will ask you questions to gather information so that we are able to assess and respond quickly. Give as much detail as you can. Write down any incidents you witness to help you remember. Make note of date, time, who was involved and what happened.

How LASBT tackles anti-social behaviour:

- Proactive Investigation and Early Intervention
- Mediation
- Diversionary activities or Support
- Acceptable Behaviour Contracts
- Injunctions
- Anti Social Behaviour Orders
- Possession Orders or Eviction
- Premise Closure Orders
- Family Intervention Tenancy

We aim to stop anti-social behaviour at the earliest opportunity.

It is important that low level nuisance is dealt with by the appropriate agency and not allowed to escalate.

To report Neighbour disputes, untidy gardens, boundary disputes, noise nuisance or breaches of tenancy agreement, please contact your local housing office:

East North East Homes 0800 915 1600

West North West Homes 0800 915 1113

Aire Valley Homes 0800 915 6660

Belle Isle TMO 0800 3895503

If you rent your home from a housing association, private landlord or agency, please report the problem to them first.

What customers say about our service:

“I felt the case officer dealt with this very quickly and is a credit to the organisation. He is always polite and very helpful and resolved this quickly. Peace has reassumed again.”

“The staff involved were caring and careful and (they) dealt with the problem efficiently and professionally, providing an invaluable service. The staff kept me well informed all through the process and have actually managed to get the private tenant evicted as a result of the problems this family were causing.”

We need your support to tackle anti-social behaviour.
