What happens next?

If you write to tell us how well we have done we will write and thank you for your kind words.

If you are unhappy with something we have done, or not done, we will consider if you have a request for service or information. If it is something we can sort out straight away we will try to deliver the service or provide the information requested.

If you wish to claim compensation for damage caused to your property or belongings, or injuries to a person living at, or visiting your property, ask for a compensation claim form and return it to us completed for consideration by our insurers.

Stage 1

If we can't resolve your problem we will contact you in 1 working day to tell you who will be dealing with your complaints and when you can expect a response. You will receive a full response to your complaint within 10 working days and if we need longer we will let you know.

Stage 2

If you are not happy with your response, and have more information which you feel needs to be considered, you can go to Stage 2 of our complaints procedure. Again you will receive a letter telling you who is dealing with your complaint and when you should receive a reply.

Stage 3

You can ask for your complaint to be reviewed by the East North East Homes Leeds Management Board should you still feel unhappy. They will acknowledge receipt of your request in 3 working days and, should they accept your request, they will tell you within 5 working days when your hearing will be. Following the review we will tell you what the panel has decided within 5 working days.

If after the review you are still not satisfied you can go direct to the Local Government Ombudsman (LGO).

You can call the LGO Advice Team on 0300 061 0614 or 0845 602 1983

The Advice Team are available Monday to Friday from 8:30am to 5:00pm. You can also text 'call back' to 0762 480 4299.
